Beavercreek Park Up for Sale!!

The Beavercreek Boosters have listed the park property on Leland Rd. for sale. The reality of limited public funding for parks and the amount of financial support that Beavercreek could provide forced the Boosters to make this very hard decision. While this is a set back for the Boosters' efforts to create a park for the children of Beavercreek, the Boosters still remain committed to establishing a park. All profits from the land sale will go back into the Beavercreek Boosters Charitable Trust that is dedicated to education and the development of a park in Beavercreek.

Youth Service The Leo Club Program

The Energetic Leos

Helping the community while having fun is the Leo Club Program's winning combination. Every day, young people in 134 countries apply this successful formula. With smiles on their faces, they donate their time and talents to help children, the elderly and the less fortunate.

Ranging in age from 12 to 28, Leos are energetic people who belong to either school-based or community-based clubs. Sponsored by the Lions Club, each Leo club elects its own officers, schedules its own meetings, and selects its own fundraisers and service projects.

Common service projects include:

- tutoring school children,
- visiting the elderly,
- planting trees,
- distributing drug education information.

Leo clubs also maintain an active social calendar. Fellowship is an important part of Leo membership.

To become a Leo, contact your local Lions club. Your local Lions club is the Beavercreek Lions. Please call Mr. Bill Anton, 632-7772.
