BCCP Meets With New County Commissioner

BCCP members met with the newest Clackamas County Commissioner, Michael J. Jordan. For the past ten years Commissioner Jordan has served as the City Administrator for the City of Canby. Commissioner Jordan holds a Bachelor's degree in Social Sciences from Portland State University and has completed graduate courses in public administration at Lewis and Clark College.

Beavercreek Bulletin Online?

Now that the Beaver Creek Cooperative Telephone Company has become an ISP (Internet Service Provider) the BCCP is working to put the "Beavercreek Bulletin" online. This will allow residents to read the "Bulletin" without having to stop at one of the pick up points.

As a reminder, the pick-up points are:

The Hitch 'N Post Restaurant
Petterson's Grocery and Feed in Clarkes
The Beaver Creek Cooperative Telephone Co. on
Henrici Rd.
The Beavercreek Fire Station
The "Corner Park" drive-thru

The online version will be called, "Beavercreek Bulletin Online." Original huh? The editor is working on getting the website ready and hopefully it will debut shortly. When the site is ready it will also include links to all past "Bulletins" as room permits. Of course, the printed version will still be available for those who do not have Internet access.

The BCCP would like to encourage residents of Beavercreek to contact the Beaver Creek Cooperative Telephone Company and support them in their new endeavor as an Internet provider. It should be a great asset to the community. Call 632-3113 for more information and to sign up.

Oregon City Council Meeting Attended

On Wednesday, February 3rd, BCCP members attended a City of Oregon City Council meeting. The agenda included the consideration of a written request from the City of Oregon City to Metro requesting the removal of Areas 25 and 26 (the Beavercreek area) from Metro's Urban Growth Boundary Reserve. The Council requested additional research and will reconsider the request at a later date.

CPO Spotlight

Beavercreek CPO Elects New Officers

A record crowd attended the February 24, 1999, CPO meeting to elect Officers and the Board of Directors to two year terms. The team of Norm Andreen and Chuck Lyons were elected as Co-Presidents. Both Norm and Chuck pledged to maintain the organization as a non-political, neutral forum for all members and to provide a conduit for information from governmental agencies to the community. Their hope is to increase citizen involvement and to have the CPO work more closely with Clackamas County to provide community input and vision early in the planning process to better plan for Beavercreek's future. Elected as Speaker, Matt Badeau, will submit CPO land-use opinions to the County and represent the CPO's views at land-use hearings before the County Commissioners and, if necessary, before Metro concerning regional planning issues affecting the Beavercreek area. Elected Co-Secretaries, Joan Martinez and Sharon Charlson, will keep accurate minutes of meetings and submit them as legal records to County government. The election of the Board of Directors provided a challenge since 5 people were running for 3 positions. In a truly unique voting method, voters surrounded the candidate they supported as Directors were elected for each position. Elected were long time Beavercreek residents, Dwayne Rinkes and D.A. Hilderbrand. Also elected, Allen Burr, a newer resident, brings to the Board years of CPO experience from the active role he played in the Sunnyside CPO, as an Officer and Director. Outgoing President, Bruce Powell, fills one Board position and will provide guidance for the new Officers and Directors. The new Officers and Directors hope to see more residents participate in the CPO and encourage you to attend meetings. Meetings are held on the 4th Wednesday at the Beavercreek Grange at 7:00 p.m. For more information, contact either Norm or Chuck at 632-8370.

Metro Update

Your BCCP understands from newspaper articles in the Oregonian that some or all of the Merto Urban Boundary Reserves have been removed.

We are in contact with the proper officials trying to get input on what effect this will have on the Beavercreek community. As soon as we have clarification we will advise you.
