Oregon City Police investigate Infant Homicide

The Oregon City Police Department is investigating the homicide of a seven month old infant boy from Oregon City.

On the afternoon of April 6, 2015, hospital staff at Randall Children’s Hospital at Legacy Emanuel reported they were treating a seven month old boy who sustained a skull fracture. Oregon City Detectives immediately began investigating the circumstances regarding the child’s injury.

Investigators found the infant had been at his babysitter’s house in Oregon City when the injury occurred. The infant's parents were notified and have been fully cooperating with the investigation.

On April 7, 2015, the seven month old boy died as result of his head injury. An autopsy was later conducted by the State Medical Examiner's Office. Oregon City Police Detectives have classified this case as a homicide and an ongoing investigation is being conducted.

Oregon City Police have released the infants name as Izaak Gillen and a statement from Gillen Family.

Izaak's parents have released the following statement. They are asking for everyone to respect their privacy while they grieve.

"Our family is deeply saddened with the loss of our son Izaak. Izaak was an inquisitive and curious little boy, who explored the world with a twinkle in his eyes and a smile on his face. He was our happy beautiful little baby. Although this is a tragic event, we take some comfort knowing Izaak was able to save the lives of other children by donating 3 of his organs. In his seven months, Izaak touched many lives."

Oregon City Police have arrested 37 year old Sarah Elizabeth Martin of Oregon City. She is lodged in the Clackamas County Jail on Manslaughter I charges with bail set at $250,000.00. She had been Izaaks babysitter since December 2014.

Oregon Parks and Recreation Debuts 2015 Oregon State Parks Guide

Oregon Parks and Recreation Department (OPRD) is pleased to announce the launch of the 2015 Oregon State Parks Guide, a free, full-color, magazine-style brochure featuring detailed information about more than 200 of Oregon's most popular state campgrounds, day-use areas, trails, bikeways and heritage sites.

"This is a beautiful overview, but it's just a place to start," said Chris Havel, spokesperson for the Department. "Most parks, and many campgrounds, are open all year. The real adventure begins when you get up, go out
Jim Jackson to be Inducted into National Wrestling Hall of Fame

Former Clackamas Community College coach and Athletic Director Jim Jackson will be inducted into the National Wrestling Hall of Fame. Jackson served as the college’s head wrestling coach for six years and was athletic director for nearly two decades.

Jackson graduated from the U.S. Naval Academy in 1973 with a degree in operations research. At the academy he wrestled under legendary coach Ed Perry. He went on to coach the U.S. Marine and military wrestling teams, which included Olympians Dan Mello, Lloyd Keaser and Greg Gibson. He coached Olympic silver medalist Matt Lindland as head coach at CCC.

Jackson also earned a bachelor’s degree from the University of Iowa in operations research. He has been a leader in the wrestling community and is recognized for his contributions to the sport.

Clackamas Repertory Theatre’s 'Breakaway Series' Continues May 2

Clackamas Repertory Theatre concludes its sixth annual, semi-staged contemporary play series "Breakaway" on May 2 and 3. The series, formerly called Sundays at Three, now includes a Saturday evening performance as well as a Sunday matinee. The featured plays are by American playwrights, and all are area premieres.

"Too Much, Too Much, Too Many," by Meghan Kennedy and directed by Clackamas Rep company member Jayne Stevens, plays on May 2 and 3. The play centers on a grieving widow who locks herself in the bedroom after the recent death of her husband to write her own obituary, but her daughter enlists the local pastor to lure her out. Bittersweet, poignant and touchingly funny, "Too Much, Too Much, Too Many" is about the walls we build to protect ourselves. The Clackamas Rep show features company member Annie Rimmer as the daughter and Dennis Kelly as the pastor.

The Breakaway series shows are Saturday evenings at 7 p.m. and Sunday afternoons at 3 p.m. in the Osterman Theatre, followed by discussion with the actors and director.

Tickets are $15 each and are available online at www.clackamasrep.org or by calling 503-594-6047. For more information, call 503-594-3915.

Oregon Food Bank Announces Headliners for 28th Annual Waterfront Blues Festival

Oregon Food Bank announces the lineup for its 28th annual Safeway Waterfront Blues Festival, presented by First Tech Federal Credit Union, on July 2 - 5, 2015 at Tom McCall Waterfront Park. Passes go on sale mid-April.

**Headliners include:**
BUDDY GUY * GREGG ALLMAN * GALACTIC with MACY GRAY * ALLEN TOUSSAINT * CHARMAINE NEVILLE * PHIL & DAVE ALVIN * THE PALADINS * DEVON ALLMAN * CHUBBY CARRIER

**Additional acts include:**
Jaime's Jasssz Band * Jessica Hernandez & the Deltas * Sister Sparrow & the Dirty Birds * Turkuaz * Jelly Bread * Stone Foxes * Con Brio * Jarekus Singleton * Christone "Kingfish" Ingram * Terry "Harmonica" Bean * Jimmy "Duck" Holmes * Corey Ledet & his Zydeco Band * Dog Hill Stompers * Rosie Ledet & the Zydeco Playboys

"From top to bottom, in terms of the range and diversity of our blues 'mix,' this year's lineup is our strongest ever," said Artistic Director Peter Dammann. "We've got legacy blues and blues rockers passing the torch to a stunning new generation of blues performers, along with Zydeco tunes for the blues/swing dance floor and funky neo-soul that's embraced by the young jam band scene. We'll continue to add performances to round out our four-day festival, ensuring another wonderful event experience for music fans of all ages."

These performances will be a part of the 100 blues acts on four stages over the July 4th weekend to benefit Oregon Food Bank's mission of fighting hunger and its root causes.

"The Safeway Waterfront Blues Festival is Oregon Food Bank's single largest fundraising event. We work year-round to secure these amazing acts in order to raise funds for hunger relief in Oregon and Clark County, Washington," said Laura Golino de Lovato, director of development, marketing and communications at Oregon Food Bank. "This year's Blues Fest is as important as ever. Demand for food assistance remains exceptionally high because not everyone has benefitted from an 'improved' economy."

Life Saving App Launches County Wide

On Thursday, April 23rd Clackamas Fire was pleased to announce the official launch of the life saving smart phone application, PulsePoint for eight fire agencies that are dispatched by Clackamas County Communications, or CCOM. PulsePoint is designed to alert citizen life savers to a nearby sudden cardiac arrest occurring in a public place. This early notification and implementation of hands only CPR by citizens plays a significant role in improving the chance of survival to the out of hospital sudden cardiac arrest victims.

Since implementing PulsePoint at Clackamas Fire, and prior to the County wide implementation, one life has already been saved by a citizen who had loaded PulsePoint and was trained in hands only CPR. The survivor of the sudden cardiac arrest, Drew Basse has made an incredible recovery and attended the launch on Thursday, April 23, 2015, to share his experience. The launch event was open to the public and included background information on PulsePoint, how to load and use the app, and a first hand account of how PulsePoint saved his life from survivor Drew Basse.

OEM To Support Statewide Emergency Communications Exercise

The Oregon Office of Emergency Management (OEM) supported a statewide radio operator exercise at County and City Emergency Operations Centers, as well as other locations throughout the State, April 25th from 8 a.m. to 5 p.m.

More than 200 people in 27 counties statewide, including 14 medical facilities, participated in this Amateur Radio Emergency Service "QuakeEX I" exercise.

Radio operators tested maximum amateur radio emergency communications capabilities in Oregon. The event is in preparation for "Cascadia Rising," a large regional exercise designed to simulate a scenario like the Cascadia Subduction Zone earthquake and tsunami that will drastically impact normal communication capabilities in...
Clackamas Fire District #1 Accreditation

Clackamas Fire District #1 has been accredited by the Commission on Fire Accreditation International (CFAI).

Chief Fred Charlton credits the Fire District’s professionalism and the support of the Board of Directors for achieving this gold standard of the fire industry. “Attaining international accreditation demonstrates the Fire District’s commitment to provide the highest quality of service to our communities.”

Accreditation is the result of months of rigorous preparation by the Fire District’s staff, followed by a week of intense scrutiny by an accreditation team from outside the organization. In May of 2010, a team of industry experts recommended that Clackamas Fire District #1 be reawarded Accredited Agency status for the third time following a meticulous five-day site visit to all of our facilities. Their visit included interviews of Fire District staff, local officials, and neighboring agencies to verify and further evaluate the District’s operation. Clackamas Fire District #1 was originally awarded Accredited Agency status by the CFAI in March of 2000.

The site visit, conducted by peer assessors from around the United States, confirmed that the Fire District again met all criteria established through CFAI’s voluntary self-assessment and accreditation program. The evaluation process included verification and validation of programs and services provided by the Fire District, and in-depth reviews of our policies, principles, and practices.

For over a year, the Fire District has been updating and preparing for the 2015 review. At this time, we have uploaded all required accreditation documents including all 10 categories of self-assessment documents, the Standards of Cover (SOC) and Strategic Business Plan (SBP). We now have a peer team assigned to us and the team leader’s name is Bill Stark from the City of Lawrence, Kansas. The team will begin to review our accreditation documents as soon as the team has access to our SharePoint site (could be right now). They will begin with the SBP and SOC and the team leader will assign categories to the team. We should start to hear from them any day now.

A site visit will most likely be in mid to late May, but could be sooner if all goes well.

On a warm sunny weekend in April, the scouts from Troop 139 ventured into Oregon’s High Desert country. The troop arrived at a primitive campsite on some BLM land and, as usual, set their tents up in the dark. The skies were clear and the stars were amazing. Temperatures dropped down into the mid 30’s at night, but the scouts were well prepared and had a good nights sleep in the fresh central Oregon desert air.

During the day the scouts packed up their 10 essentials and hiked about 5 miles around, up and over Smith Rock. These Beautiful red rocks were speckled with rock climbers from all over the world and the scouts took the trail that passed right next to the climbing walls so they could get a good view of what these guys were climbing. At Asterisk’s pass, a valley in a rock ridge where a huge boulder is balancing, the scouts scrambled up and peeked over the edge to see the valley on the other side. During the

Annual Strawberry Festival
Dinner - Auction - Raffle
June 20, 2015

Mark your calendars for another wonderful Strawberry Festival at Beavercreek UCC, aka “The Ten O’Clock Church” (23345 S. Beavercreek Road), 4:30 pm - 7:30 pm. We always look forward to this event since it's the beginning of summer and time for those wonderful local strawberries.

The evening will consist of a delicious dinner including bratwursts, scalloped potatoes, vegetables, roll, beverage and STRAWBERRY SHORTCAKE with ice cream. The strawberries will be fresh off the vine from our local Albeke Farms.

The Silent Auction will again have many wonderful items to bid on and Raffle prizes will be drawn at the end of the evening. It's a wonderful event for the whole family.

Dinner prices: Ages 13 & up - $12, Ages 6 to 12 - $8, Age 5 & under - Free. Bring 5 cans of food and get a free Raffle Ticket. Proceeds will help support our Food Pantry and Summer Camp Youth Programs. For more info and pre-event tickets call 503-632-4553.

hike, the scouts saw a bald Eagle, Hawks, Turkey vultures, lizards and some interesting beetles.

The hike to the top took the scouts up “Misery Ridge Trail.” This trail is rated most difficult due to the steep pitch and loose rocks. The hike was difficult, but every scout was able to make it up to the top where each of them was rewarded with spectacular views of the surrounding valley and a huge sense of accomplishment. At the top, the scouts ate lunch with the warm sun on their skin and a cool breeze to keep the temperature just right.

Back at camp the scouts threw a boom-a-rang, played track ball and explored the country side beyond the borders of the campground.

The trip was very rejuvenating for all of us. It was great to get out and do some camping in the sun. We can’t wait for the next trip.

Troop 139 is composed of Scouts from 10-17 years old. Our scouts come in all shapes and sizes and each of them has their own skill set to bring to the troop. This makes for an interesting and well balanced troop of guys who like to have fun and try new things with a bunch of great friends that they would never have met if it weren’t for this troop. **Calling All Milk Carton Boaters:**

Mark your calendar, and drink your milk! After taking a year off for park renovations around the historic Westmoreland Park Casting Pond, the Milk Carton Boat Race is back by popular demand this June as a 2015 Rose Festival sanctioned event. The race supports Northwest Farmers Fighting Hunger.

A unique Portland tradition dating back to 1973, the race features hand-made, human powered boats that float entirely by means of recycled milk cartons and jugs. Racers young and old will compete with their creatively constructed watercraft in seven classes ranging from sleek and slim boats built for speed to the whimsical showboat class. There is even a corporate category for businesses. All compete for the coveted Best in Show milk can trophy.

Online registration is now open at www.dairyfarmersor.com, and there is no cost to enter the race. Registration will remain open until June 1 or the race is filled, whichever comes first. Before building a boat, participants are strongly encouraged to read the rules to ensure they will pass inspection on race day.

The race will take place at the Westmoreland Park Casting Pond in the Sellwood Neighborhood of southeast Portland on June 7 at 11 a.m. It is free to attend; and with great food, giveaways and entertainment, it promises to be a fun event for all ages. The Royal Rosarians and Oregon Dairy Princess-Ambassadors will be on hand, and the Oregon Food Bank will accept donations of cash and canned food to support the Northwest Farmers Fighting Hunger campaign.

Northwest Farmers Fighting Hunger is a campaign in Oregon and Washington during the month of June to raise funds, food and awareness for the increased need for food and donations during the summer, when children have

Baseball is Coming Back to Portland in 2016

Rose City Baseball, LLC, Portland Parks & Recreation (PP&R), and the Portland Development Commission (PDC) has announced that baseball is returning to the City of Portland with a new college wood-bat team based in east Portland. The City and the Great West League are partnering to bring Portland’s new baseball team (soon-to-be named by Portland’s fans!) to Walker Stadium in PP&R’s Lents Park (SE 92nd and Holgate) for the 2016 season.

“There’s been a void in the city since the Portland Beavers left, and having baseball so conveniently located for neighbors in east Portland will be terrific,” says Wilson. “We’re excited to bring affordable family entertainment to Portland and we believe Walker Stadium will be one of the most exciting ball parks in the country.”

The new Walker Stadium will have a capacity of 1,500, including group event areas. The stadium in PP&R’s Lents Park was constructed in 1956. It is located within easy reach of mass transit and major freeways. The updated Walker Stadium will cater to fans’ enjoyment of professional-style baseball with amenities including multiple concession stands, a playground and group event areas.

“We’ll have the most exciting entertainment in Portland, and we want the half-million people within 15 minutes of the ballpark to know that this team belongs to them,” adds Wilson.

The public/private partnership between Rose City Baseball, LLC, and the City of Portland will also bring gleaming upgrades and needed repairs to Lents Park’s centerpiece, Walker Stadium. Outside of the 30 Great West League baseball games annually, the freshly renovated stadium will be available for play by recreational players or anyone else to use.

“We’re finally seeing some real development in Lents,” Portland Mayor Charlie Hales said. “The team and stadium improvements will be great for the east Portland neighborhood. I’m an advocate for complete neighborhoods, and this plan will help Lents to shine! The city is delighted to partner with Ken and his colleagues in bringing baseball back to the Rose City.”

“Baseball has been missed in Portland, and I am excited to have the game returning,” said Portland Parks Commissioner Amanda Fritz. “I appreciate that this public/private partnership provides stadium improvements that all Portlanders can enjoy.”

Without the partnership, Fritz added, the much-needed renovations to Walker Stadium would not be occurring for

Pat Gillick, the Great West League co-founder along with Wilson, is the current president of MLB’s Philadelphia Phillies and a National Baseball Hall of Fame member. He has been general manager of four MLB teams, including the Mariners (2000-03). Gillick won two World Series championships with the Toronto Blue Jays and one with the Phillies.

The City and Rose City Baseball are teaming up on $650,000 worth of improvements to the stadium, including new chair-back seating, the addition of group event areas, a new scoreboard, team offices, a new press box, new concession services, new dugouts, a major league backstop, a new irrigated grass playing surface and a children’s play area.

The yet-to-be-named baseball team will play 30 home games per 60 game season. The team will pay rent to the City, clean the stadium, and provide security during games. Outside of the dates set aside for the team, the stadium will be open for permitted play by anyone who reserves it.

“Portland Development Commission’s investment is consistent with our commitments to the community and neighborhood association,” says PDC Executive Director Patrick Quinton. “We are delighted that Rose City Baseball will hire local youth and develop partnerships with local community-based organizations, such as Lents Grown and Lents Little League. Since 1998, PDC has made more than $5 million in investments in parks and open space in the Lents Town Center Urban Renewal Area”.

Financial contributions for the partnership:
Rose City Baseball: $400,000
Portland Development Commission: $200,000
Portland Parks & Recreation: $50,000

About the Great West League

The Great West League is one of the premier summer collegiate wood bat leagues in North America, providing a professional, minor league-like atmosphere for top college players seeking professional baseball careers, while providing affordable family entertainment and enriching the quality of life in its member communities.

The league will begin play with six teams, each playing a 60-game schedule. Portland, OR, Chico and Lodi, California, have each secured teams. The remaining teams will be announced by late summer.

Ken Wilson, who also serves as President of the GWL, is a co-founder of the league along with Pat Gillick, a member of the Baseball Hall of Fame and currently President of the Philadelphia Phillies. Gillick is part owner of the Chico Heat.

What’s the team called? That’s up to YOU!
Portland’s Baseball Team has unveiled a website at www.portlandsbaseballteam.com. A “Name Your Team” contest begins immediately and fans can go to the team website to vote for their choice for the team nickname.

The Town Hall Meeting of the Hamlet of Beavercreek took place on Wednesday, April 22, 2015, at the Beavercreek Grange, located at 22041 S Kamrath Road in Beavercreek, with twenty residents and guests in attendance.

The meeting was called to order at 7:05 p.m. by Hamlet Chair Tammy Stevens.

First on the agenda was Dick Orr, from Beaver Creek Telephone Cooperative, who gave the monthly update on events that will be happening in the month of May. He announced the “Shop For A Cause” event that took place the next evening from 5:30 to 7:30 p.m. at the company’s office building on Henrici Road.

Other May Events:
- Tuesday, May 12 - Gadgets 101 is back. Bring your new portable devices (phones, tablets, etc.) to BCT and get help on how to use them from 6:30 - 7:30 p.m.
- Wednesday, May 13 - BCT will be out and about at the Albertson's Store in Oregon City to talk about BCT’s cell offerings from 3:30 - 4:30 p.m.
- Thursday, May 14 - Burgerville Fundraiser, 4:00 - 7:00 p.m. a portion of the Burgerville’s sales will be donated to the 5 non-profit charities supported by BCT.
- May 1 - 31st - Tell BCT about your favorite TV show and win a possible digital picture frame.

The guest speakers for the evening were Chief Charlton of Clackamas County Fire Dist. #1, Outgoing PIO, Brian Paxton, and one of the Directors of the CCFD#1 Board, Don Trotter.

Chief Charlton talked about the bond that will be on the May ballot. He explained that the current bond will be paid off in June. That bond cost residents 11 cents/$1,000.00 of evaluation. The new bond, twenty nine million dollars, if passed, will cost about 10 cents/$1,000.00 of evaluation or about $30.00 for a $300,000.00 house. The new bond, if passed, will be brought online in July after the expiration of the previous bond. The money raised from the bond will be used for capital improvements to existing fire stations, new fire stations, and the replacement of outdated fire equipment.

Someone asked about what happens to the old equipment. Chief Charlton stated that for the most part they are surplused. They are appraised to figure out the value and then they see if anyone is interested in buying them.

He was also asked how the District's expansion has affected the District's ability to service the rural areas (the areas it was designed to protect) as opposed to the urban. Has it cost rural residents more for the cost of the District to finance urban areas? Chief Charlton explained that with a Federal Grant the District has been able to add staff to the Beavercreek Fire Station. The grant provides funding for two years. Chief Charlton was asked if the District is involved when new development is proposed. He said that the District has input into the design of the development like making sure the streets are 20 feet wide and that there are no one way streets without a turn around for the fire equipment.

The big fire up at Government Camp was discussed. It took 1.5 million gallons of water to bring the fire under...
control. The water was provided by the local water district, tanker trucks (water tenders) and the Clackamas River.

Chief Charlton asked if anyone knew how much a new large fire engine cost? Answer, $550,000.00. A new ladder truck? $1.2 million.

Before leaving they talked about the "File of Life" packets. It was suggested to use one per person and placed on your refrigerator in case of emergency. You fill out the paperwork with all your medical information so, in case there is an emergency, the paramedics and ambulance people know what medications you are taking, your allergies and the like.

Lastly, "Pulse Point" was discussed. "Pulse Point" is a smart phone application. You download it to your phone and, if there is a medical emergency within a quarter of a mile of your location, you will be notified telling you where the emergency is so that you can go to assist with hands only CPR. In most cases you can get there much quicker than the fire department or ambulance. If you would like to get more information go to the fire District website at http://clackamasfire.com and click the hyperlinks on the left side of the page.

There were no public comments.

Highlights of the March 25, 2015, meeting were read by Secretary, Joan Martinez. They were approved with one correction.

Land use issues:

There was a Measure 49 claim on S Beavercreek Road by Carl and Susan Hansen to split the 34.9 acres into 2 lots.

There was an application for a property near the intersection of S. Henrici Road and S. Seal Ct. owned by John and Sherri Harkness. The application is for a steep slope review. After testimony of neighbors in the area who have information, not generally known, regarding issues with the property including a sink hole, drainage and landslides, it was voted to recommend denial of the application.

Land use decisions:

It was announced that an application for a cell tower West of S. Beavercreek Road on the property of Ron and Glenda Saunders was withdrawn.

Treasurer Cheryl Boffard stated that there were printouts of the 2014 income and expenses for the Hamlet available if anyone wanted to see them.

Christine Kosinski reported that there will be a hearing on the proposed bus barn on S. Meyers Road behind the high school on May 18th. She also gave an update on HB 2633 that Requires the Land Conservation and Development Commission to adopt administrative rules to implement statewide land use planning goals related to natural hazards. Christine stated that she has major concerns about the bill because it does not go far enough and there are no teeth in it to force compliance.

It was asked why the grass at the Korner Park has not been mowed. Apparently, the lawn mower that is used has broken down, but will be repaired and the grass will be mowed soon.
Old Business:
Tammy Stevens said she is sitting on the Bond Oversight committee for Clackamas Community College. The group was asked what they would like to see happen. Tammy's response? Planning, concurrency, livability, green spaces and transportation planning.

Bill Merchant, Vice Chair of the Hamlet, said that he is a member of the County Design Liaison Committee. He reported the following: The County Department of Transportation is mostly increasing fees. There will be a 2.16% Convenience Fee. The Owner's Surrender Fee for dropping off a dog at the County Dog Services because you can no longer care for it will increase from $55.00 to $105.00. Applications or appeals on land use issues, if withdrawn before notices go out, there will be a refund of the application fee. If notices have already been sent out the fee will be $135.00. If the application goes through the whole process and then it is withdrawn there will be no refunds.

New Business:
The Board will be writing a letter to the Principal of Beavercreek Elementary School regarding the parking along Yeoman Road during school functions. People attending activities at the school are causing public safety issues for the residents of the area. Apparently, the school has been made aware, but no action has been taken to rectify the problem, so the Board of the Hamlet will open the discussion with the Principal.

Cheryl Boffard reported that there will be about 45 spaces this year for the Annual Flea Market and Craft Sale held in July. The committee will meet the last week of April.

Brad Charlson gave a report for the Grange, announcing the first Saturday Breakfast for May to be held on May 2nd, and The Mother's Day Breakfast to be held on May 10th. Ed Schettig, Master of the Beavercreek Grange, is recuperating from a stroke he suffered the first Saturday of February. A card was signed by all attending the meeting, and given to Brad to pass along to Ed, wishing a speedy recovery.

Norm Andreen reported that it is anticipated that Christopher Bridge Winery and Seven Brides Brewing will be vendors at the Annual "Stars in the Park Concert" in August. The first committee meeting will be held on May 4th.

Tammy Stevens gave a "Beavercreek Demonstration Farm" update for Tom Salzer, who was unable to attend, regarding the repairs that have been done including fencing, lighting, bird houses put up and dealing with gopher problems. Sharon Charlson addressed concerns she is having regarding the proposed buildings to be placed on the property to house the Conservation District offices.

The raffle was held which included a bird feeder, a car wash coupon, a ceramic figurine, and a free Grange breakfast ticket.

It was announced that the guest speaker for next month would be Amy Kim, Watermaster, for Clackamas County. The meeting was adjourned.

Everyone is encouraged to attend the monthly Hamlet Community meetings and the quarterly Town Hall meetings to participate and share ideas and concerns on the issues pertinent to our community. Members 18 years of age and older who live, own a business, or property within the Hamlet area may vote on Hamlet issues. The Hamlet of Beavercreek Boundary Map is located online at http://goo.gl/maps/Vr5w1.

The Community meetings take place on the fourth Wednesday of the month at the Beavercreek Grange on Kamrath Rd at 7:00 p.m. The Town Hall Meetings will occur every quarter. For more information, please call the Hamlet Information Line at 503-632-8370 or visit the Hamlet web site at http://HamletOfBeavercreek.org.

Clackamas Emergency Services Auction/Dinner Fundraiser

The Clackamas Emergency Services Foundation’s fourth auction/dinner fundraiser took place on March 7, 2015, at a new venue, Willamette View in Milwaukie.

The Honor Guard of Clackamas and Multnomah Counties and the Clackamas Firefighters Pipes and Drums opened the evening for the guests. Over 200 people enjoyed the evening comprised of silent and oral auctions, 50/50 raffle and a paddle raise. As emcee, PIO Brandon Paxton kept the evening flowing. Guest speakers CFD1 Lt. Neil Bishop and Becky Nims from Backpack Buddies shared how the Foundation has impacted the lives of the people they help. Auctioneer, Stephen Modjeski, provided an entertaining time with the oral auction and paddle raise. Over 40 silent auction items, four oral auctions items and the paddle raise brought in funds for the Foundation. The total is still being tabulated.

Thank you to the Premier Sponsor, David Golobay and Sun Glow Heating and Cooling, and the Bronze Sponsor, Providence Health & Services. Also, thank you to all who supported the Foundation by attending the dinner and/or donating items for the auctions. Thank you to the Auction/Dinner Coordinator Carolyn Wence from Plans & Action and the Foundation Fundraiser Committee: Fred Charlton, Jerry Kearney, Ed Kirchhofer, Tina Mataya, Sherie Rosenbaum, Karen Strejc and Don Trotter. Clackamas Emergency Services Foundation Don O’Dell.

The funds from this event will be used to fulfill the Foundation’s mission – “To provide humanitarian assistance to those who have been adversely affected by disaster, tragedy, injury or other misfortune, and to work towards preventing such misfortunes in our community.” You may make a donation and/or learn more about the Foundation by going to www.clackamasfire.com/foundation.

**1 IN 4 Homeless Are Veterans You Can Help**
WHO: The Salvation Army, Tri County Temp Control, Veterans, more
WHAT: "Salute to Armed Forces" event where people can come celebrate and give thanks to all that our Armed Forces do to protect our freedom and safety. The public is invited to donate new hygiene items for homeless veterans!
WHEN: May 8, 2015, 11am - 3pm.
WHERE: Tri County Temp Control (13150 Clackamas River Road, Oregon City, OR 97045)
WHY: More than 1 in 4 people experiencing homelessness are veterans, and according to The U.S. Department of Housing and Urban Development, there are over 1,200 homeless veterans in Oregon alone. This number does not include the number of families and veterans who are simply struggling to get by. "It is our duty to thank them and provide them with the dignity they deserve," says Kim Pettina, Director of The Salvation Army's Home Front War Relief program. "When you donate something as simple as shampoo or soap to a veteran who is homeless, you are offering them a hand up and supporting them in their search for employment and more."

Joining in the festivities will be NW Natural and their free food truck as well as Lars Larson from KXL who will be broadcasting live. Ben and Jerry's ice cream, popcorn, and cotton candy will be served!

"We work with struggling veterans all year long," says Kim Pettina, Director of The Salvation Army's Home Front War Relief program. "It is our duty to thank them and provide them with the dignity they deserve."

Stop by Tri County Temp Control on May 8th from 11 am-3 pm to salute our armed forces and to support those struggling by dropping off your donation of a new hygiene product at The Salvation Army's collection barrels.

continues with group singing

Whether you have Welsh heritage or not, you will be very welcome at this authentic Celtic cultural event.

It is indeed a pleasure to listen to four-part hymn singing, which had its origin and early development among the Cymry - or as the English call them - the Welsh. In Wales, the small village chapels nestled in the lovely green valleys were centers of religious and social life. After services, the Welsh would linger in chapel to practice old hymns and learn new ones. This tradition continues at Bryn Seion Welsh Church in Beavercreek, Oregon. This church was built in 1884 by Welsh immigrants and is still active today. Old group photos on the church walls reveal the church’s earlier days and may even include images of your ancestors. People come from all over the Northwest for this song festival, so come early to get a seat inside. The chapel will be crowded at the 2:00 PM session, but there is always plenty of room inside at the 6:00 PM session. It will be a full day and you can attend any or all of the activities. Some outdoor seating is provided, but there are no reserved seats.

Everyone is encouraged to participate in the singing.

The mission of Bryn Seion Welsh Church is to serve God and the community in accordance with the gospel of Jesus Christ, while preserving the Welsh heritage of the region.

Church services are held at Bryn Seion every 2nd and 4th Sunday of the month at 11:00 AM, with Bible Study at 9:30 AM.

Bryn Seion (Mt Zion) was built in 1884, and is the last active Welsh church on the Pacific Coast.

We warmly welcome all who wish to join us and enjoy the fellowship of God’s gifts.
Hello... my name is "Big Boy" and I'm available for adoption! I'm a 4 - 5 year old neutered male and I weigh approximately 60 to 100 lbs. As you can see I'm yellow and white in color with folded ears.

Here is what I have to say for myself!

"I'm that shy guy that everyone loves - Big Boy. I take a little time to warm up, and all I really want is my own loving family. I take treats gently and I know how to sit like a good dog should. I can be quiet and I'm smart, so I learn things quickly. How about it - come meet me! We'll be best friends before you know it!

For more information on me or other dogs available for adoption, please call the shelter at 503-655-8628 or come by for a visit and a little one-on-one. You can also see us at the Clackamas County Dog Control website at:
